Sir,

Sub: EDUCATION--Elementary--Tuticorin Municipal Council Provision of books and slates to poor pupils belonging to Scheduled classes--conditions--relaxation of-- requested.

****

This Municipal Council is providing books and slates to poor pupils belonging to the scheduled class reading in the municipal Elementary Schools. According to the conditions laid down in G.O.No.2503 Education dated 1-4-1943 the books and slates should remain the property of the school and should be so marked and that they should be used by the pupils only during school hours and should not be taken to their houses. These conditions are enforced by the Municipality.

Sri T. Madasamy, Municipal Councillor (Scheduled Caste) represented that by the enforcement of the above conditions, the pupils are not in a position to study their lessons in their houses during night and as a result many of the pupils do not get through their examinations and the object of the concession made to the scheduled caste pupils is not gained. He requested that the conditions may be relaxed to enable the pupils to take the books and slates to their houses.

The request of the Municipal councillor was placed before the Municipal Council and it has decided to address Government to relax the condition prohibiting the pupils from taking the books and slates provided by the municipality to their houses. A copy of Municipal Council Resolution No.55 dated 12-11-1954 is submitted herewith.

I request that the Government may be pleased to relax the condition (3) of G.O.No.2503 Education dated 1-4-1943, and make it permissible for the pupils to take the books and slates home and use them.

In the resolution of the Municipal Council, Pollachi, sent with the Government reference No.(1) quoted above, it is suggested that the conditions (2) and (3) contained in the Government Order No.(2) quoted above, should be relaxed and that the books and slates should be issued to the concerned pupils themselves so that they could read properly and get through their examinations. The suggestion to issue books and slates to the pupils themselves is not acceptable since they are the property the school. It is suggested that the books and slates may be handed over to the pupils concerned with permission to take ther home; and that the parents or guardians may be informed that the will be no supply of books and slates for the second time. A register may be maintained for the purpose in the schools and the end of the year, the articles given to pupils may be got bac and necessary redistribution made.

From the D.P.I. No. 1298-B2-54
dt. 4-2-1955

Dr. Go. (Ms.) No. 2503 Edn. dt. 1-4-1955 orders have been issued permitting the Presidents of Dt. Bds and Executive Authorities of Mcls. to incur expenditure from the Fee. Edn. Fund Account on the provision of books and slates to poor muhammadan pupils and poor pupils belonging to the scheduled classes, reading in their elementary schools subject to the following conditions.

(1) that there is budget provision for the expenditure.

(2) that the books and slates thus remain the property of the school and shall be so marked and

3) that they should be used by the pupils ~~as~~ may during

School hours and should not be taken to their homes.

The N.L.C. Pallachu and Tuticorin in their resolutions have resolved to request the govt. that the Conditions (2) and (3) contained in Govt order 1 may be relaxed and that the books and slates should be issued to the concerned pupils themselves so that they could be read properly and get through the ~~redress~~ examinations

The D.P.I who was consulted in the matter has stated that the request of the Council to ~~issue~~ their books and slates should be issued to pupils themselves is not accepted since they are the property of the School. The D.P.I has suggested that the books and slates may be handed over to the pupils - Concern with permission to take them and that the parents or guardians may be informed that there will be no supply of books and slate for the second time. He has also suggested that a register may be maintained for the purpose in the schools and at the end of the year, the articles given to

pupils may ~~be given~~
and necessary readjustments be
